OTTIMO

EXCELLENCE IN EVERY BITE!

Celebrate your solemnization and church wedding at the historic Armenian Church of St. Gregory the Illuminator in Singapore. Surrounded by picturesque gardens and near the Registry of Marriages and luxurious hotels, it sets a perfect backdrop for your special day. Complete the experience with a reception catered by Ottimo.

The Armenian Church of St. Gregory, Singapore's inaugural National Monument, serves as a sought-after wedding location capable of hosting up to 100 guests indoors and 200 guests in the adjoining garden area. Although the church is inclusive of all Christian denominations, you must arrange for your own officiant as there is no resident priest or pastor. A mandatory donation is expected for weddings, baptisms, and memorial services, granting permission for a modest reception on the church premises.
